

This form is for parent(s)/carer(s) who wish to change their child's school during the school year. **Do not** use this form for children starting school in reception, transferring from infant to junior school or transferring from primary or junior to secondary school.

Please complete one form for each child requiring a school place. All sections must be fully completed, additional delays may be incurred if there is any missing information. The Admissions Authority reserves the right to request further information and/or evidence at any time.

Please note that some schools may request additional information in order to support your application, for example, a Supplementary Information Form and/or a Baptism Certificate. This will be indicated in the school's Admissions Policy.

The Admissions Policy, which includes the in-year application process, definitions and over subscription criteria for North Somerset schools can be found at www.n-somerset.gov.uk/admissions/arrangements-policies-consultations

In year transfer applications will not normally be considered until 21 days in advance of the date the place is required (35 days in advance for those moving house), excluding deferred entry for Reception Year Group children. In year transfer applications for admission in September will be considered from 1 June.

Applications are normally processed within ten school days of receiving a complete application. Please note that this may not be possible during school holidays, as part of the admissions process involves contacting the schools, who may be unavailable during school holidays.

Applications will be accepted for children who meet one or more of the following:

- are resident in the UK
- hold full British Citizen Passports
- are from countries whose passports have been endorsed to show that they have the right to abide in this country
- are from the European Economic Area (EEA)

Applications for children who do not meet one of the above will not be accepted until the child is in this country. Applicants from EEA countries will be required to provide a copy of the child's passport to confirm that the child is a resident of an EEA country. Applicants for children from non-EEA countries will be required to provide copies of the child's and applicant's passport and visa, in order to confirm they are entitled to receive a state funded education in England.
